

## **Behavioral Health Specialist (Therapist)**

North Olympic Healthcare Network, a Federally-Qualified Healthcare Center in Port Angeles, Washington, is seeking a full-time Behavioral Health Specialist to join a multidisciplinary team of healthcare professionals working to meet the needs of the North Olympic Peninsula.

As part of the organization's mission to offer whole-person care, we are looking to hire Behavioral Health Specialists to work within an integrated, multidisciplinary model in our primary care clinic. The Behavioral Health Specialist's duties consist of providing brief assessment, intervention, and onsite consultation to the primary care team regarding psychiatric/psychosocial concerns and health behavior change. While coordination of care is part of the job duties, a majority of the Behavioral Health Specialist's activities will be focused on providing clinical interventions according to evidence-based treatment modalities.

We are located in a newly constructed, state of the art facility on the Port Angeles Waterfront. We are a growing practice, with consistently high demand for our services.

Port Angeles is located on the north Olympic Peninsula, approximately 2 hours west of Seattle, and 90 minutes by ferry from Victoria, British Columbia. It is nestled between Hurricane Ridge in the Olympic National Park and the Strait of Juan de Fuca. It is a place of incomparable beauty and limitless opportunity for outdoor activity including hiking, fishing, skiing, and biking, and has a thriving arts community.

## **Required Qualifications**

**Education and Qualifications:** Coursework completed for Master's in Social Work, Counseling, Marriage and Family Therapy, or related field. Training in cognitive behavioral therapy preferred. Willingness to learn and deliver evidence-based treatments required.

**Licenses:** License for independent clinical practice in the State of Washington or have the necessary clinical training and post-graduate experience to acquire licensure in the State of State of Washington as a Licensed Independent Clinical Social Worker (LICSW), Licensed Mental Health Counselor (LMHC), or Licensed Marriage and Family Therapist (LMFT).

## **Compensation and Benefits**

Compensation is dependent upon qualifications and experience. We offer benefits including: 401(k) employer contributions; Life, Medical, Dental and Vision Insurance; Short and Long Term Disability Insurance; paid holidays; earned Paid Time Off. Positions may be eligible for loan repayment.
